#### **Chairman's Address**

Duane welcomed our Life Members, John Mossop, John Wingrove, Ian Hook, and Phil Davies as well as the other club delegates present.

Due to Covid the season ended abruptly in early August. We were probably lucky to get as much of our season in as we did.

With Covid restrictions settling down we have been able to start up our Junior Hunter Academy program on Thursday nights.

Graham Cassell the Baseball NSW High Performance Officer held a Showcase of trials for players in the U16 & U18 age groups for selections into the SHOWCASE for January and July. Thank you to Jason for your organisation and to Phil and the White Sox club for the use of their fields.

Hopefully as we move in to 2022 it will be a better year and we can finally hold grand Finals.

John Wingrove will be standing again this season at least until August. Country will partner with ACT for the coming season. This was opposed by both Country and ACT as is not feasible with travel etc. There was no communication and we were not made aware of this move early enough. The Senior Cairns /Prague tour is still going ahead. Duane thanked John for his time as our delegate.

No By-Law changes were received by Secretary. The By-Laws will need to be updated to include the need for Coach Accreditation.

All coaches will need to have their Accreditation for the 2022 season. Teeball and Zooka require Level A & B.

## CHAIRMAN'S REPORT

---

After having persevered through an ever-changing COVID climate of the previous two seasons, the NBA was again focused on the health and wellbeing of our baseball community as we remained dedicated to getting back on the field safely. The 2022 season, however, threw another "curveball" at us with some pretty ordinary weather. To all our clubs, thank you for your collaborative efforts to adjust season plans and keep baseball activity running safely and smoothly wherever possible. We know how difficult these changing circumstances were and we appreciate your commitment to Newcastle baseball.

To the members of the NBA Board, thank-you for your effort and commitment to baseball in Newcastle. What you all do is never fully appreciated, but in my position, I see the dedication and time you all volunteer to keep our sport running smoothly.

Volunteers, umpires and club officials, without the grassroots support any sport does not exist. You all show up every year and provide a fantastic product to your members.

To all the players it was a tough year for all involved. You were flexible and willing to adapt to ensure we got through as many games as we could. Thank-you to the clubs who took on extra fixtures to assist others to get their games on.

Congratulations to all our Minor and Major Premiers, juniors and seniors.

2022 is now behind us. 2023 is a fantastic opportunity for baseball in Newcastle for continue after some tough seasons.

Looking forward to seeing you all again next season.

Duane Harrison

## SECRETARY'S REPORT

---

### Season 2022

It seems to be the norm the last few years when writing my report that we have had an interrupted season. This year it wasn't covid, but rain that caused us to have difficulties in providing a complete season. In fact we had a total of 7 weeks where all games were washed out and unfortunately even one grand final game was washed out.

We began the year with a very successful combined Season Launch and Presentation night which was well attended.

Despite the problems of the previous two seasons and the predicted loss of players we were pleased to be able to field 6 senior grades with some clubs able to field two teams in a grade. We welcomed a new club to our Association, the Lake Camels which combined the Lakers and University clubs although the wet season meant they didn't get to host games at their home ground of Pendlebury Oval. However, our junior numbers were not great and we need to look at ways to recruit more players with the aim to have clubs with full junior teams in each age group.

Unfortunately, as the season was to begin continuous rain left fields unplayable and we postponed our competition start date but the wet weather continued throughout winter causing many washouts, changes to the draw, switching of grounds and inevitably changing the date and structure of our final series. Many thanks to those clubs that offered their grounds up for games when others' home grounds were unplayable.

Thank fully we were able to salvage an almost full season culminating in two big grand final days in September although as was with most of the season it was a rainy weekend and the 5<sup>th</sup> grade game had to be abandoned and the Sunday games transferred to Belmont. The Board would like to congratulate and thank the Belmont club volunteers who created a great Major League grand final day at such short notice.

On the bright side after two missed years we were able to get back to representative baseball with teams competing in the State Championships, and the Junior, Senior and Women's Country Championships. Congratulations to our Little League team that represented at the Nationals and also to both our men's Senior A & B teams which were crowned Country Champions in August.

Season 2023 will once again see the introduction of a new online registration system which I have been assured is the best yet and easiest to use and a long-term proposal. Clubs will need to get this up and running ASAP and take full advantage of its many different features.

This year was the first full year where we insisted on each coach having the appropriate accreditation, a BNSW requirement. We will be monitoring this more strictly next year, so I suggest the off season is a good time to recruit more coaches to do the online component of the course ready for our season.

On closing I would like to offer some thanks, firstly to my fellow Board members for their diligent work this season at times under difficult circumstances, with a special mention to Duane and Travers who I could call on at any stage for advice and assistance to make my work easier and for their hard work rescheduling the draw and fields in such a disrupted season, also thank you to Brian for capably covering my job whilst I was on holidays.

Thank you to the Newcastle District Softball Association for allowing us the use of their clubhouse.

Thank you for your service to John Wingrove who is stepping down after devoting many years as our delegate on the CLSC.

Lastly a big THANK YOU must go to our generous Sponsors, umpires, club committees, players and parents that all worked with us to make 2022 happen.

Regards

Maxine Poole

## SENIOR MEN'S (B) REPRESENTATIVE REPORT

---

In 2019 the B Competition ended with 3 teams having 5 wins and a loss. Unfortunately, Newcastle missed out on defending the title that they had held for the previous 4 years. The impact of COVID-19 meant that the Country Championships had to be abandoned for 2020 and 2021. So, it was with great enthusiasm and determination that we approached the 2022 Champions – the year of redemption!

Over the last 10 years we have focussed on the culture of the team, respecting the game and playing in spirit that reflected well upon Newcastle. This year we had a large contingent of rookies, and given the 2 year break, there was a concern around if the culture would need to be re-established. A pop fly in game 1 saw the hitter slowly jog to 1<sup>st</sup>. The team immediately reminded the player of our values, “we run those out”, protecting our values.

Winning teams have that something special. The B Team displayed these characteristics throughout the tournament. On every play, every player moved to their secondary positions. A shallow pop fly by Wes Tohi saw him not only bust to first but slide in safely to second. In game 6 of the tournament, a wild throw to first saw Grant Harris backing up who then threw the runner out at 2<sup>nd</sup>. Hamish Ellison displayed the traits of a competitor that we want in every player. He pleaded to be lowed to remain on the mound and ended up throwing a complete game.

On the park we were a well drilled machine and won all games on the opening 2 days. Our first game on the final day was against the winless Shoalhaven. To their credit they managed to roll us in a lose fought 7-5 game. With memories of 2019 all too fresh we had to rally in the final game against our perennial rivals, Coffs Harbour. In a tight game we managed to produce some outstanding baseball to win our way through to the final on the back of some quality pitching from Brad Martin.

Wagga Wagga awaited us in the final and they had brought along a very strong squad. In particular their starting pitcher was a league above those that we had faced in the round games. However, the Newcastle batting line up continue to complete their individual assignments, as they had all tournament, and regularly kept the scoreboard clicking over. Our 2 young pitchers in Hamish Ellison and Josh Banks did an exceptional job and ensured that we regained the title of champions.

We have now won the Champions every year bar 1 in the last 8 years that it has been contested. I acknowledge the contribution of all players and their commitment to protect the culture that we have established in the team. A special thanks to Matt Reeves who came away as Assistant Coach and Adam Harris who was coerced into scoring.

Cheers

Steve Harris

## WOMEN'S REPRESENTATIVE REPORT

---

The Newcastle Open Women's team was comprised of 14 players this year, with 7 rookies, including a mother/daughter combo. The team enjoyed the weekend away competing and playing the game we love, however our overall result did not go our way, but providing us with a strong foundation to build on for next year.

Our first game, against Illawarra, resulted in a 12-all draw, with Ebony Van Eynde hitting two doubles and batting in five runs. Olivia Cameron hit a double and a single, driving in 3 runs. Kristy Frame and Karen Jones combined to pitch 2.2 innings, keeping us in the game and allowing us to not burn pitchers for future games. We lost our second game 8-6 to Fury. Alyssa Frame pitched 1 inning, for 4 hits and 2 strikeouts. Ebony pitched 2 innings throwing 45 pitches for 31 strikes, striking out 6 batters of 9 faced. Mikayla Tomlins caught great, as well as hitting a single and double and batting in 2 runs.

Our third game, against Tamworth, was a must win game to make it into the finals, pending other games out of our control. We defeated Tamworth 18 runs to 5, however this was not enough for us to make the 1v2 final. Although, this was the best game the team for the whole tournament. Karen pitched 2.1 innings, allowing only 2 hits. Alyssa came in to close the game for the final two outs, facing 3 batters and not allowing a run. Every player reached first safely at least once with almost every player driving in a run. Mattea fielded well at shortstop with 3 assists and a put out.

Our final game of the weekend was the 3v4 final, against Tamworth. We were defeated 14-1, with our bats unable to put us in the game, after costly fielding mistakes in the first inning. Ebony started on the mound for us, pitching one innings, for 2 hits, 4 strikes and no earned runs. Mattea, Kristy and Alyssa came together to pitch the final 2 innings of the game, giving up 4 hits. Mattea was aggressive on the base paths to score our only run, driven in off Ebony's double to centre field.

Mikayla Tomlins was awarded the MVP for the tournament, for her reliability in the field and behind the plate and aggressiveness in the batter's box.

We look forward to next year, building our women's program in Newcastle, for both senior and junior girls, through come and try days to workshop skills and encourage more girls to play baseball and provide greater opportunities to play in different settings.

Thank you to Shane Barclay and Olivia Cameron for being my assistant coaches and thank you to Fiona for being our EO and looking after us off the field.

Emily Barclay
